Flip Flop Flyer

February 2012

Parents-Parents- Parents!!!

What roll do they play in our program?

Answer: A **great** roll!

Gymnastics and tumbling class parents

They encourage their children, insure homework is done, insure children are not running or horse playing in the gym, and help keep food and drink out of the upstairs area.

Team Parents

They help set up and take down for meets. They work the meet sessions, feed the judges, and wear the tires off their cars driving to practice and meets.

We are proud to announce our new
General Manager

James Clement

*Congratulations to James
as he takes on his new role!!*

May Performance

Every year we have an in-class show/performance/competition depending on the class. Our competitive programs have already performed during the year and this is an opportunity to allow our class students shine.

Gymnastics classes will be preparing short routines while tumbling classes will prepare tumbling passes. The instructors will score the performance and everyone will go home with a blue ribbon.

It's a great time to bring your camera, friends, and grandparents. Most programs charge a fee for this production, we consider it part of our program. Instructors will give out progress reports at that time evaluating student success and recommendations for future classes.

HOLIDAYS, HOLIDAYS!!!!

♥ Valentines' Day

Classes as usual Feb. 14

A chance to exchange hugs with your coach, and to achieve more wonderful goals at C.G.'s!

♥ Mardi Gras

Monday and
Tuesday

February 20-21

No classes on those days.

Easter Vacation CHANGED!!!

We follow the East Baton Rouge Parish school schedule for holidays. Thanks to an attentive parent our holiday schedule has been corrected.

Easter Break will be

April 3 - April 9

**(No classes will be held
during those days.)**

Evaluation forms went out last month. If you did not get yours, we will accept them as late as Feb. 3rd. We will be reviewing your comments and assessments.

Remember, you never need to wait for evaluation forms to give compliments, criticisms or praise. We have made some great changes based on your comments.

Thanks for taking the time to help us!

Summer Camp Information

Information will be available after the Mardi Gras holiday. Stay tuned—most of our sessions were full last summer. Students do gymnastics, arts & crafts, daily reading, have a weekly theme, all types of sports activities and games, have fun, and are overseen by our staff.

Safety first, second, and always !

Please stay vigilant with us!

You already do an awesome job, but once you've got the reputation of safety that you have, you just want to keep it!

Although it is impossible to prevent all injuries, you have maintained a superior record.

Thank you coaches, athletes,
office staff,
and parents!

Now, let's see how good of a detective *you* are and find the hidden words

S	R	I	P	J	P	T	S	A	C
